

## DESCRIPTION OF COURSE

### Description

#### **Copyright in the Digital Age**

The progress and advancement in technology has largely impacted on copyright. The move from an analogue system to that of a digital one is a reality. The challenges faced by authors of works will be addressed. The ease, rapidity and convenience of making digital copies constitute a real threat to copyright. The capacity of storage and the ease of disseminating copies of works are simply amazing. The lecture will give the audience an overview of copyright in the digital age.
